2018 Ladies Captain-Elect Announced

"I am delighted to announce Judi Monico as our Ladies Vice-Captain for 2017 and also our 2018 Ladies Captain-Elect.

Judi brings with her a wealth of Club experience having previously been Captain in 2009. A member of our Club for 25 years, she joined in 1992 at a time when interviews were still conducted for prospective lady members.

Between 2002 and 2008 she served as a Director and at the end of this tenure joined the Ladies Committee as Ladies Vice Captain.

2009 was Judi's first year as Ladies Captain and following this she served on the Ladies Committee for a further 2 years.

After a break from duties of 4 years she re-joined the Committee as Treasurer in 2015, moving to Handicap Secretary in 2016.

As well as being a member of both the Scratch and Shield teams she is an active social member, helping to co-ordinate the Mixed Social Bank-Holiday get togethers' and the Ladies Saturday Morning Roll-Up Group.

Please join me in welcoming Judi as our Captain-Elect for 2018 and support her during her tenure."

Presidents Day 23rd July

I would like to thank Roger for his generosity and a great day.

Kate Broughton with Roger Willis

President's Day took place on a rather damp Sunday July 23rd and was hosted by President Roger Willis. It included a Stableford competition for Ladies and the best scores were as follows:

Kate Broughton - 36 pts (winner)
Wendy White - 29 pts
Sue Cribb - 29 pts
Chin Fern Griffiths - 29 pts

Well done to all those above.

NB: Both Kate and Chin Fern are relatively new members to the club, so it's good to see them performing well in competitions, especially on important occasions like President's Day.

The Pauline Sampson Cup played on the Friday of Festival weekend was won by Linda Lewington.

Jason Hannon won 1st in the men's

Richard Suthers 1st in the Vets

Brenda Beard and Carol Farnworth won the ladies pairs

Clive Haywood, Peter Wilson and Neil Tabraham won the Festival 4s team.

2nd Sally Shayler, Sam Turnbull and Sue Cribb 71.6

The ladies met for a fun completion on a warm and sunny day. The course proved challenging as the competition was held just a couple of days after the men's championship. However some good results were posted, well done to Paula, Sue and Dot for an excellent performance.

Pictured are some of the ladies enjoying a post competition drink in the clubhouse.

After the game we had supper and prize giving, with a little gift to all who played, a very pink day.

What a surprise for Charlotte

Matches played this month:-

We have played 8 shield matches so far this year won 2 and lost 5 and halved 1.

Scratch match v Leighton Buzzard was won 3/0 thanks go to Sally Shayler, Margaret Seabrook and Paula Parker playing in pouring rain and being soaked through at the end, well done girls.

Unfortunately they lost to Aspley Guise quite a nice day they obviously need the bad weather to challenge them. Good luck on Sunday against Aylesbury Vale next Sunday.

The club has several mixed matched against other clubs during the year, we played John O'Gaunt on Sunday and beat them 7 and 2 a good result. The match was followed by a lovely supper, thanks to the catering and bar staff for keeping us fed and watered (wined).

The course in is wonderful condition and therefore encouraging many people to use both courses, thanks must go to John Gubb and his team for the fine work they do keeping it in tip top condition.

We continue to have new members joining us and so on the Sunday 6th August 1.00pm till approx. 2.30pm we are having a get together with as many of them that would like to come and meet other members. Please feel free to come as well.

Happy golfing ladies and have a great month.
